

Research Map

This map will help you narrow your focus and guide initial research!

What about my topic was *new*?

When did my topic happen?

Where did my topic happen?

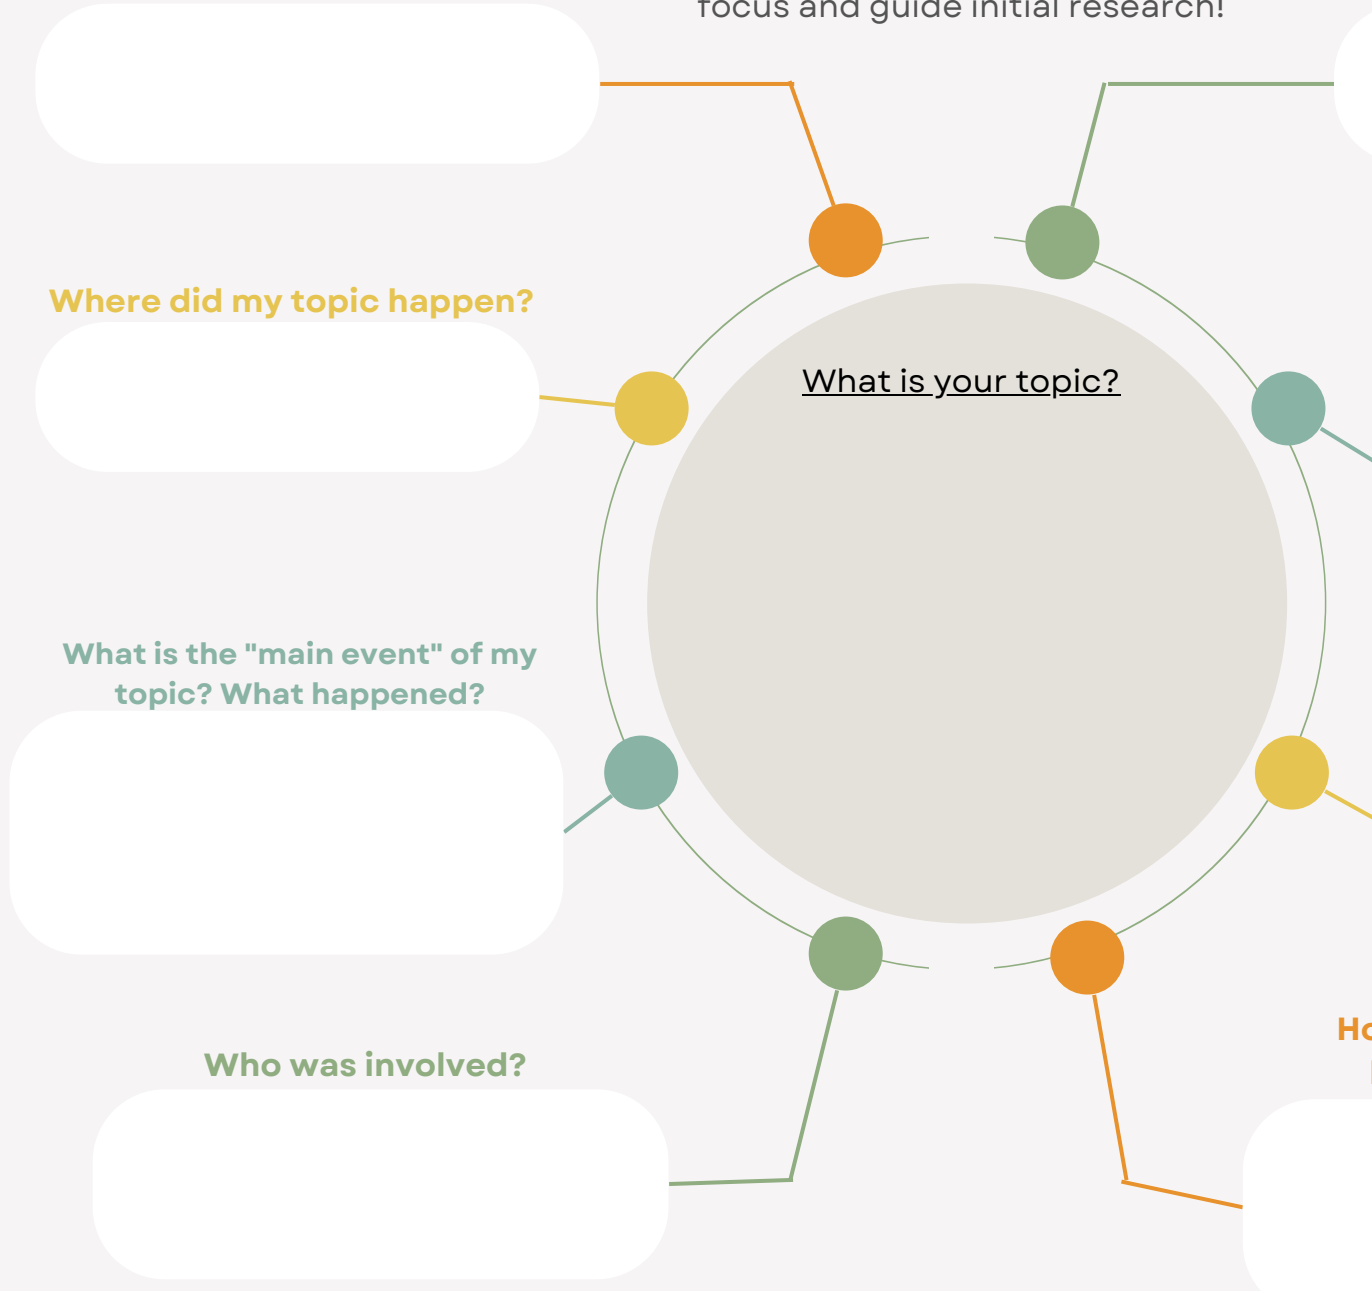

What did my topic change?
Did it result in good change,
or destructive change?

What is the "main event" of my topic? What happened?

What *caused* my topic to happen?

Who was involved?

How have things changed because of my topic?

What is your topic?
